16. Any and all dogs MUST BE LEASHED at the show.

17. Protests, if any, must be made in writing and must be in the hands of the secretary within 48 hours of completion of the class concerned. No protest will be considered unless accompanied by a deposit of \$50.00 that shall be forfeited to the committee if said protests are not sustained. Protesting an animal's height carries a \$100.00 cash deposit.

NOTE: Protests are usually made through the steward of the horse show. Also available at the horse show office are *Exhibitor Report Forms*. These require no cash deposit and may be submitted to the show office, the steward or sent directly to OE.

18. In the event of a fall of horse and/or rider, the competitor must leave the ring dismounted.

19. Proper show attire, including jackets, is required for all divisions and classes, including all jumper divisions and judged warm-up classes, unless excused by judge or show management.

20. Jumper classes, unless otherwise indicated in the Horse Show Prize List and Show Program, will be run under Article 238 AM5. **The use of draw reins is not permitted.**

21. Competitors must be junior or amateur in the Medal Classes.

25. All entry forms must be signed by the competitor if they are an adult, and must have a parent or guardian signature for juniors. **COACHES/TRAINERS WHO SIGN FOR PARENT/GUARDIAN ARE ASSUMING ALL RISKS/WAIVERS FOR SAID PARENT/GUARDIAN AND THE JUNIOR COMPETITOR.** No competitor will be allowed to show without the required signature and will be liable for administration fees and scratch fees.

26. Hors Concours will not be permitted.

27. Any athlete at an EC sanctioned competition may be selected for human anti-doping as outlined in the Canadian Anti-Doping Program (CADP) and administered by Sport Integrity Canada. Please see EC General Regulations Section A - Appendix A1, Policy on Human Medications for details.

RULES OF CONDUCT: Due to recent complaints and comments, we would like to take this opportunity to remind all trainers/coaches/parents/friends about the proper code of conduct with respect to ringside behaviour. It is inappropriate to shout instructions to or critique a rider as they are focusing on their required course or test. Providing some guidance in a normal speaking voice when the rider is very near the ingate would be acceptable however shouting instructions in a loud manner the whole time the rider is in the ring is very distracting to everyone in the vicinity (INCLUDING the judge) and the rider is unlikely to be able to hear the instruction anyway. This is also against Equestrian Canada's rules of conduct. Please be considerate to all of the show attendees and limit the ringside coaching to appropriate levels.

Social Media Policy

Social media has become extremely popular because it allows people to connect in the online world instantly to form relationships for personal and business purposes. It can take many different forms, including internet forums, weblogs, social blogs, podcasts, pictures and video. Social media is becoming very much a part of the way we communicate with various audiences. Regular use of these channels of communication enables the THJA to maximize opportunities with dynamic information sources and allow the organization to market itself to a wider and more diverse audience. However, staff and members' use of social media can pose risks to the THJA's confidential and proprietary information, and reputation, and can jeopardize the THJA's compliance with legal obligations.

This social media policy is designed to encourage the appropriate and effective use of social media platforms, as well as provide guidelines for staff/members to exercise personal responsibility when using social media. This policy does not form part of any employee's contract of employment and it may be amended at any time. **PLEASE SEE OUR COMPLETE SOCIAL MEDIA POLICY ON OUR WEBSITE AT WWW.JOKERSHILLHORSESHOWS.COM**

"All horse entered in any class at a competition must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations." (A602.8)

When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments.

- EQUESTRIAN CANADA STATEMENT OF PRINCIPLES – HORSE WELFARE 1. 2. 3. EC requires adherence to humane treatment of horses in all activities under its jurisdiction. All participants shall be bound by the Horse Welfare Code of Conduct. EC is committed to: a. upholding the welfare of the horse, regardless of monetary value, as a primary consideration in all activities; b. c. d. e. f. g. requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to maltreatment; ensuring that owners, trainers, and exhibitors and their agents exercise appropriate care and responsibility in the handling, treatment, and transportation of their horses, as well as horses placed in their care for any purpose; providing for the continuous wellbeing of the horse by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, and safety; continuing to support scientific studies on equine health and welfare; requiring owners, trainers, and exhibitors to know and follow their sanctioning organization's rules, and to work within industry regulations in

all equestrian competitions; and, reviewing, revising, and developing competition rules and regulations that protect the welfare of the horse.

- Reservation regarding right to refuse entries (subject to championship rules limiting a competition's right to refuse entries).

A reminder that competition numbers must be worn and visible at all times

JOKERS HILL PHOTOGRAPHER POLICY

Jokers Hill Horse Shows has hired official photographers for each of our horse shows. These photographers work hard and spend long days out in all weather conditions in the hopes that the competitors will purchase their photos. They are not paid by show management, and are independent vendors who rely on the revenue from sales for their livelihoods.

In the past, there have been other photographers whom we have not hired also taking photos of competitors, and this takes away from the earning potential of the official photographer making it less likely that they would want to come back to our shows. This would be detrimental to all those who enjoy seeing their show photos but don't have access to/cannot afford a private photographer. For this reason we have decided to implement the following policy.

Any photographers or videographers with professional gear (which is defined as a full frame or mirrorless camera with a zoom lens) that are present at our competitions for the purpose of selling/giving their content to competitors/exhibitors will be **asked to stop taking pictures or asked to leave the premises**. This applies to both professional and amateur/junior photographers. The only exception to this rule is someone who is photographing their family member.

Private/Group/Barn Client Photographers/Videographers – You must have **permission from both the Official Photographer & Show Manager** to be able to attend the show as a private/group/barn client photographer/videographer. You may be declined access. If you are approved to attend the show as a private/group/barn photographer to take photos or videos of your client, your client must have pre-paid the official photographer for their full photo package before the show. If your client does not pre-pay for the package, you will not be approved for access.

If anyone is found photographing without permission or going against the rules above, they could be **banned from shooting for a period of 12 months**.

EC SPORT LICENSING 2025

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2025: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a coach on-site can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form. Coaches that are not present at the event with the athlete are not to be listed on the entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”
